PCV: Solidarity with the Palestinian people after massacre in Jenin, West Bank

The Communist Party of Venezuela (PCV) strongly condemns the raid by the Zionist and fascist forces of Israel in Jenin, West Bank in which 9 Palestinians were killed. Likewise, we denounce the subsequent aerial bombardment in the Gaza Strip against the noble Palestinian people and all the escalation of Zionist violence against the right of the Palestinians to live in a country free of occupation and independent.

The PCV raises its voice in solidarity with the Palestinian people, in rejection of the new genocidal action of the state of Israel, and we reiterate our call to respect the historic right of the Palestinian people to self-determination, independence, for the freedom of all political prisoners and the return of the Palestinians to their illegally occupied lands.

Long live free Palestine!

Long live Proletarian Internationalism!
