

# FEATURED AUTHORS

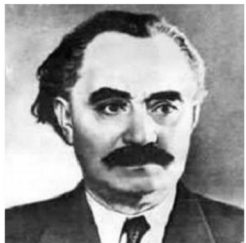

**William Z. Foster**, labor organizer and Leader of the Communist Party USA 1945-1957. He wrote many books analysing the conditions of the American working class and the labor movement.

**Anna Louise Strong** was an American communist and journalist famous for her coverage of revolutionary movements and interviews with leaders such as Joseph Stalin, Mao Zedong and Kim Il-sung.

**Vladimir Lenin** was the leader of Bolsheviks and the October Revolution. His analysis on imperialism and the necessity of the vanguard party are of vital importance.

**Georgi Dimitrov** was an important Bulgarian communist and leader of the Comintern during WWII. His analysis of fascism laid bare its origin and defining characteristic.

# ABOUT US

**New Outlook Publishers** continues the legacy of American communism by spreading Marxist-Leninist, socialist, communist and working-class literature with a prime focus on the United States, the labor movement, and international communist trends to the next generation of leaders. Our publications aim to preserve and continue our history movement, building class consciousness, and guiding the working class of the United States and the world towards a brighter future. As the great Maurice Bishop said, *"forwards ever, backward never!"*
